Effective October 2nd POOL CLOSED Saturday

Fall 2026 Swim Lessons

Session	Dates	Meeting Days	Registration Dates
Session 1	November 3-19	Tuesdays/ Thursdays	Saturday October 24

BEFORE REGISTRATION:

All pools have requirements for swim lesson registration. Prior to registering, all returning participants will need to confirm with pool staff to ensure the correct prerequisite skills are listed on their SDRecConnect account. Otherwise ActiveNet will not allow you to register for any upper level lessons. If this is the first time registering for lessons with the City of San Diego, contact pool staff to schedule a participant assessment and help create an SDRecConnect account.

Participants must be evaluated by staff prior to registration.
NO REFUNDS unless class is cancelled by Pool Manager. NO REFUNDS for grant funded programs

REGISTRATION INSTRUCTIONS:

Visit SDRecConnect.com to create an account prior to coming to the pool to register. After creating an account for yourself, add your family members to your profile. You can then register for classes, view class schedules, and check class availability online.

Pool staff is available to assist with all online and walk-in registration concerns.

FREE Water Competency Class

Participants may register for one session at a time. Enrollment in multiple sessions will result in removal from all but the first registered class. Once a session is completed, participants become eligible to register for another. Please consult pool staff for class availability and registration dates.
This class focuses on foundational water safety and swimming skills. Goggles are not permitted at this level.
Participants will work toward mastering the Water Competency Sequence

1. Jump into deep water (overhead depth), surface, and recover.
2. Float on the back or tread water for 1 minute.
3. Rotate 360° and orient toward the designated exit.
4. Swim 25 yards using front crawl with rhythmic breathing or elementary backstroke. Exit the pool without using a ladder, gutter, or assistance.

Participants who demonstrate the ability to pass the full Water Competency Sequence during the first class will be withdrawn and directed to register for a more appropriate level. Please note that space in advanced-level classes is not guaranteed, so it is important to register for the correct level class. If you are unsure of your placement, we recommend scheduling a skills assessment with pool staff before registering.

Please speak with pool manager regarding additional or individualized needs for aquatic program participation
